Chrono-Recharge OPUS installation guide

for Android phones

Presented by
ARTM

Customer service and technical support

If you have any questions or experience any problems during the app installation process, please do not hesitate to contact the test team at RechargeOpus@adhoc-opinion.com

› Please provide as much information as possible to guide the test team in resolving the problem (e.g., description of the problem, step at which it occurred, screenshots, etc.).

# Step 1: Checking the email address associated with your Google account

Before you begin, please check that the email address you provided when registering for the market test is the one associated with your Google account.

To validate this information, please open the **Play Store** app on your phone and consult your user profile.

> › Clicking on your profile picture or the icon next to the search bar at the top of the screen will display the email address associated with your Google account.

If you did not provide the correct email when registering for the market test, please write to RechargeOpus@adhoc-opinion.com to receive a new invitation at the email address associated with your Google account.
