

Fare schedule

Paratransit

Fares in effect starting July 1, 2025

Introduction

The information below will help you choose the right fare for your trip.

1. Identify your departure and arrival zones

There are 4 fare zones.

You can confirm your municipality's fare zone by consulting the [table appended](#) to this fare schedule.

2. Select the correct fare for your trip

Your fare must be valid in your departure zone, any zones you cross through, and your arrival zone, as well as on the modes of transit you use.

The **All Modes**, **Bus** and **Out-of-Territory Bus** fares allow you to travel throughout the metropolitan area:

All Modes transit fares allow you to use all transit modes in or between the zones identified.
Example: One **All Modes AB** fare allows you to travel on all modes of transit running between Montréal (zone A) and Laval (zone B).

The **Bus** transit fare allows you to use paratransit services in or between zones B and C on the same shore.
The **Out-of-Territory Bus** fare allows you to use paratransit services in or between zones B, C and D on the same shore.

Good to know
The fare schedule includes other transit fares. They provide less flexible use of paratransit services since they are limited to specific sectors or modes.
